Football at Lunchtimes

Last on the sports committees list was football at lunchtimes for all years. Due to the amount of children wanting to play football at the same time and limited space, it was time to come up with a plan. With new football markings on the field it allows there to be more pitches available. A football rota has been introduced for KS2 which will see Year 3 and 4 playing football on Mondays and Wednesday, Year 5 and 6 playing on Tuesdays and Thursday, Friday will see all classes allowed to play unless they have been banned during the week.
