Boys Football v Christ Church Tuesday 3rd October

Another Tuesday has come and everyone knew it was GAME DAY. Our opponents were Christ Church School, who have been known to play really good football. After playing against Maple Cross the week before, the team knew they had to roll up their sleeves and put in a performance to be proud of. We went through our normal routine of warm up and stretch before the team was announced by Mr Sandiford.

Shay – Goal Keeper

Luuk – Defender

James – Defender

Tom – Midfield

Jake – Midfield

Ashley – Midfield

Jack – Striker

With the game starting at 100 mph it was none stop action for both teams as it looked more like a basketball match than a football match with both team attacking every minute. As the game settled down it was Shay producing some amazing saves which you would see on Match of the Day. The midfield trio were passing the ball in triangle creating space with Jack running the channels of the pitch.

Unfortunately it was Christ Church who took the lead just before half time with a well worked goal starting from their goalkeeper. Within 2 minutes it was 1-1 thanks to a low powerful strike from Jack, which beat the keeper with ease. Half time came and went with some tactical moves being made such as Freddie and Cael joining the field of play replacing Jack and Tom. The second half started just as the first with the game being played at a fast pace. With both teams creating chances and making the goalkeepers work hard it was Christ Church who took the lead again. Not to be shown up, the boys from Chorleywood School kicked it up another level and went for the equaliser again. With some great wing play, the ball was crossed into the box where it would take a deflection and drop in just under the cross bar. GAME ON.

Christ Church had more efforts on goal but super star Shay kept them out time after time until one long ball over the top of the excellent James and Luuk dropped to the feet of the oppositions striker who powered the ball past Shay. With the clock counting down until the end of the game, up stepped Ashley with some dazzling foot work to create space and release a shot (weak foot) into the back of the Christ Church net. The Crowd goes wild along with Mr Sandiford who looks like he is about to have a heart attack. The final whistle is blown and the game comes to an end with the final score 3-3.
