

Tri Golf Competition

On Thursday 5th October year 4 took part in a partnership Tri Golf competition at St Clement Danes School. Year 4 were split into 3 teams and participated in 9 different Tri Golf courses which would test their ability to chip and putt. As you walked around you could see a lot of ability on show from the Chorleywood students as they continuously added to their scores. After all 9 courses were completed it was time to find out the total scores and places for the 3 teams from Chorleywood Primary.

Team 3 came 3rd in their group

Team 2 came 1st in their group

Team 1 came 1st in their group

This means that 10 children from Chorleywood School will progress to the partnership final where they will go up against more schools and challenge for the Tri Golf 2017/18 title.

Well done to all of year 4 for being great ambassadors and showing great behaviour whilst being guests at another school.

Thank you for Mrs Crasnier, Mrs Daver and to all the parents who transported the children and watched.

Mr Sandiford
