

Monday 5th February

On Monday afternoon the girls football travelled to Maple Cross primary to play their league game. After a frantic first 5 minutes where both teams created chances it was Lexie who calmly controlled a pass from Renee and slotted the ball past the Maple Cross goalkeeper. Within minutes it was 2-0 to Chorleywood after a Messi like dribble from the half way line saw Renee blast a low shot into the oppositions net. Half time saw Chorleywood 2-0 up after having the majority of possession. The second half started like the first with Maple Cross starting strong and having shots on goal which saw Rubie create some great saves. With the defence clearing every opposition attack again it was Renee on hand to dribble around the Maple cross defence and collect her second goal of the game. Substitutions saw Sophie and Kirsten come on to make an impact during the game. Kirsten copied Renee with a dribble from half way which was met by a strong tackle. A long shot from the corner of the box saw Renee get her third of the game which was followed by an identical strike a few moments later bringing her tally up to four goals. With minutes to go there was one more goal left in the game and who else would it be. Dribbling down the right side of the pitch Renee lifted her head up and struck the ball with so much venom that even two keepers wouldn't have shopped the shot. End of the game Maple Cross 0 – 5 Chorleywood.

Well done to the following girls:

Rubie

Scarlett

Sofie

Anya

Lily

Renee

Kirsten

Lexie

Sophie
