Chorleywood 2-2 Sarratt

On Thursday it was the first Tag Rugby league game of the year as we took on Sarratt School at Chorleywood Primary. Within the first few minutes of the game you could see it was going to be a tight encounter as both teams gained meters on the pitch. It was Chorleywood who got the first point on the board with a well worked passing phase ending with Luuk at the try line. Unfortunately Sarratt hit back within seconds with a run down the side of the pitch. It was advance to Sarratt as they scored a try just before half time. After talking through some tactics it was time for the second half of the game. Just like the first half it was a very open game with both teams trying to find space on the pitch. Luckily for us the next try was a Chorleywood try thanks to Luke side stepping and spinning past the Sarratt players to get his first try of the year. With the minutes ticking down both teams had opportunities to turn 1 point into 3 but time ran out and both teams had to settle for a point.

Well done to the following children:
