Dear Colleague

Following on from the success of our annual Year 2 Singing Workshops, I am writing to invite you to this year's event. This year is 'Action Packed' with the children singing traditional children's songs in parts and using actions. This year we are repeating the festival so more schools can take part. As before we are really keen to keep your workload to the minimum, so we will send you a CD with the music and a copy of the words, so you can learn the songs before the event.

Please do contact me if you have any questions and let me know by Friday 26th May 2017 if you would like your year 2 class(es) to take part. We are anticipating a good response and have limited space, so get back to me as soon as you can. This event is funded by Hertfordshire Music Service and therefore there is no cost for your school.
