ACTIVITIES WEEK: 3rd - 7th JULY 2017

Friday 9th June 2017

Dear Parents/Carers

Activities Week this year will be in the week commencing 3rd July. It has been very successful in the past few years and last years proved to be lots of fun! For those new to the school, it is a week in which the normal timetable is suspended, and the children work in small mixed age groups on a lot of different activities.

This year, **Activities Week will be centred on a 'broad and balanced curriculum'**. In a change to previous years, we will be running fifteen activities over the week, where each group will undertake each activity. This will mean that all children will enjoy the same experiences.

Due to the safeguarding of children, **group leaders must have a current Hertfordshire DBS** in order to run an activity. Teachers will be running activities, and teaching assistants will either run or help with activities. We have been very grateful for all the help given by parents in the past few years and hope that even more parents will get involved this year by helping out. We would be grateful of any help that you could offer, even if that means helping for just one session over the week.

Activities will take place Monday to Friday and sessions will run for an hour and a quarter. There will be 3 sessions each day: 9.15am - 10.30am; 10.50am - 12.05pm; and 1.30pm - 2.45pm. All the groups will consist of about 14-16 children, with a mixture of ages.

If you are able help during the week, could you please fill in the accompanying form.

Once we have all the forms, we will work out a programme for the week. We do hope lots of parents will offer to help, as only through this help can we achieve our aim of working with smaller groups.

Many thanks

Miss K Dawson
