

Governors' Easter Newsletter 2014

Dear Parents, Carers, Staff and Children

In January we welcomed Ms Simone Tyson to the panel as a new parent governor after the elections which took place before Christmas. She will be an excellent addition to the Governing Body and I sincerely hope she enjoys her time as parent governor of our school.

I will be stepping down as Chair of Governors and as Community Governor of Chorleywood Primary with effect from the end of this summer term. My successor will be chosen from the remaining governors at the first Full Governing Body meeting in the autumn term 2014/15 and you will be informed of the outcome as soon as possible thereafter. My intention is to remain in an advisory capacity, as an Associate Member of the panel until at least Christmas 2014 to help ease the new Chairperson into their new role and thus provide continuity for our school. It has been a challenging 4 years as Chair, but I have also been fortunate to have experienced a very exciting new chapter for our school. My goal was the improved Ofsted designation of "Good" which we obtained last November and I would like the task of taking the school to "Outstanding" to be someone else's achievement. Thank you to all my colleagues on the governing body for their support and encouragement and to all of you for helping to make Chorleywood Primary such a fantastic school to be Chair of! I hope to remain a good friend to the school and I will endeavour to come back to school productions and events.

Wishing you a very Happy and Peaceful Easter break.
