Dear Parents and Carers,

Blue Peter Book Awards

I hope you all managed to see the article about Y5 in the latest edition of the Chorleywood Magazine. We are one of ten schools across the country helping the judging panel by reviewing the six finalists of this prestigious award. Find out more about the shortlisted books at <http://www.booktrust.org.uk/prizes-and-awards/2>.

Website

Thank you very much to everyone who completed the online survey about our school website. Over 95% of respondents reported it was easy or very easy to locate information relating to the term dates and school calendar. 84% said that there was not anything missing that they expected to find. We have analysed all the comments and they have fed into the discussions we have had with the company that are revamping the website. We are looking forward to launching it later this term.

We have won a green house!

Thanks to the emotive literary talents of Ms Claire Davies we have won a Hartley Botanic Greenhouse worth £2500! We are very excited and are already making plans for its use.

We are as always so grateful for all her efforts at school. Well done Ms Davies!

The Pavilion is having a facelift!

I have been in discussions with Elaine Ridout and Mark Bettridge from the PTA about converting the Pavilion into an outdoor working space for the children.

Mark has arranged a Golf Day on 8th March to raise additional funds and plans are underway for a London to Oxford sponsored cycle ride on 7th July. The children have all been consulted about the function of the outside working space and generated some very exciting ideas. We are very grateful to Mark and Elaine for their efforts in raising additional funds above and beyond the usual PTA program.

Red Nose Day

As part of their Community Project Y2 are leading our fundraising efforts for comic relief this year. They will be having a cake sale on 15th March after school. Y2 will provide you with additional information in due course.

Parent Consultation Evenings

Sign up sheets will go up on 5th March at 3.15pm and be positioned in the corridor by the trophy table as usual. The consultations are on Monday 11th March (5pm-8pm) and Tuesday 12th March (4pm-6pm). We will be using this opportunity to undertake a Parent Questionnaire. The Governors will be in the hall so please make your way there before or after your appointment to complete the questionnaire.

Have a great half term and see you on Monday 25th February.
With very best wishes,

Mrs. Roberts
