Thursday 2nd April

Head Teacher's Update

Dear Parents,

The teachers have completed the termly pupil assessments using the new criteria. I have met with them all individually to discuss the attainment and progress of all the pupils in their class. We also discussed which interventions have been particularly successful, and what support and interventions will be in place next term.

On Thursday 26th March, three pupils from Year 3 and three from Year 4 participated in a Maths workshop day at Shepherd School. As well as thoroughly enjoying ourselves in the planned activities, we also learned so much about problem solving, fractions, square numbers, cube numbers, equations, triangles and probability. The activity I enjoyed the most was a game called 'Deal or no Deal' where we had a set of cards and we had to calculate the probability of the next card being higher or lower. I am pleased to say that at the end of a fun and educating day, our Chorleywood team achieved a fantastic second place result!

Action & Adventure

I hope you have been following the Y6 adventures on Twitter. This is the second time we have been to Windmill Hill in East Sussex. The children and staff are all very tired but have had a fantastic time. I would like to thank Mrs Hewitt, Mr Ryan, Miss Marlow and Mrs Hall for giving up time with their families to provide the children with this opportunity.

George: " I enjoyed PGL because there were lots of fun challenges."

Olivia T: "I loved every second of it."

Anoushka " PGL was the best week of my life!"

Rai: "Everything was amazing, the staff were really lovely, it could not have been better."

Wian: " It was an unforgettable experience."

Young Entrepreneur Award

Nursery

"We have had a spring plant sale. We decided to plant some sunflower seeds to sell plants to our grown-ups.

We decided to give half of our money to the Dog's Trust charity to help dogs who don't have a home. We made £ 78 profit."

Written by Larry and Josie

Reception

"We are making and selling jelly. Plain jelly, sweetie jelly and fruit jelly. Plain jelly is 50p, sweetie ones and fruit ones are £1. Our money collection will buy us some new things and we will give some away. Remember the golden trophy that was really big? The class that gets the most money gets that! I hope it's us...me too! We raised £80.55."

Written by William and Neve.

Y1

"We are having an Easter tea to raise money. We have sent letters to our grown-ups. Mrs Farrelly is going to buy the hot cross buns for the adults. We asked the guests to make a donation. We made £125.90 profit."

Written by Ajia

Y2

*"For the Young Enterprise Competition Year 2 decided to perform a Talent Show to raise money for Barnardos and WWF, we also raised some money for our class. The acts were singers, magicians, footballers and gymnastics as well as other amazing acts. We also made biscuits and sold coffee and tea. We sold raffle tickets and had lots of prizes. We were so happy with our show and we raised **£378** in total!"*

Written by Lottie and Tiya

Y3 & 5

*"Year 3 and Year 5 decided to team up for the young entrepreneur scheme. Our business idea is to complete 12 sports in 12 different hours. The reason why we have teamed up with Year 3 is to share our skills and learn new skills together. We have all been fundraising and have decided as a class that we would like to donate 50% of our revenue to Macmillan and the other 50% to new PE equipment to help us and other classes learn new skills. **Year 3 made £337 profit and Y5 made £622.**"*

Written by Cora and Carla

Y4

*"The year 4 entrepreneurial idea was a huge success! Our plan was to sell popcorn for 50 pence per cone. Lots of people loved our sweet and salty popcorn and came back for a lot more. Each pupil from year 4 got a turn to sell the popcorn at break time and if you were available you could also help after school. We also got to make the popcorn in our cooking unit. We raised an astonishing **£199.32!** 50% of our profit is going to the charity Water Aid, while we are spending the remaining 50% on a delicious pizza party."*

Written by Shay

Y6

*"Y6 decided on selling hand drawn, portraits in the style of Andy Warhol. These are self-portraits, which we created with Mrs Omelia. After an anonymous vote, we decided we were giving a percentage of the profits to Water Aid. The portraits sold for £3.00 each, however, some parents gave bigger donations. Along with the portraits, we also sold lemonade for 50p a glass. Y6 made a profit of **£114.35.**"*

Peer Mediation

As previously mentioned we will be launching our Peer Mediation initiative after the Easter holidays. We have purchased Peer Mediation caps and high visibility vests so mediators are easily identified on the playground to help resolve low level disagreements.

Governance

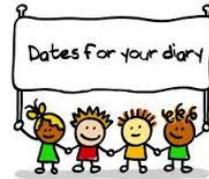

I would like to thank the governors for their hard work this term. Please take time to read their newsletter to find out more about their impact on school improvement.

PTA

Huge thanks to the PTA for their continued work this term. They have led various fundraising activities this term, the most successful being the Band Night on 28th March. The event raised a phenomenal £1300 ! Well done to everyone involved!

Trips

We have booked a whole school trip to Whipsnade on **Friday 10th July**; this will be the last day of Activities Week. We are also planning our whole school attendance trip for any pupil who has attendance over 97%. We will provide you with a date and the specific details as soon as we can.

I hope you all have a fantastic holiday. I will look forward to seeing you all on 20th April.

Kind regards,

Mrs R Roberts
