Headteacher: Mrs Rebecca Roberts

Friday 23rd October

Dear Parents/ Carers,

It has been a very busy half term! We are well underway addressing the actions on the School Development Plan.

School Council

The new School Council have met three times this half term. They have generated an agreed vision and code of conduct:

The School Council want to make the school even better. We will represent our class and ask them their ideas and opinions. Our school council is a democracy, like our school.

The councillors also created a code of conduct for themselves

- Attend meetings and arrive on time
- Bring your folder to the meetings and something to write with
- Listen to everyone's ideas
- Share your ideas in a respectful way
- Ensure that teachers hold the meetings in class

We are working hard looking at the rezoning of the playground at lunchtime; this is following work started last year. Following this they will be working with the PTA and staff to purchase some outside play equipment.

PTA

I would like to take this opportunity to thank Tania Ridgeway, Chrissie Booth and the PTA who have started the fundraising this term as they mean to go on! Many thanks as always for all your hard work.

Home school agreement

The governors have reviewed the home school agreement to reflect changes in our behaviour for learning policy and our eSafety scheme of work. The revised agreement will be sent to all parents for their perusal. At parent consultation sessions, parents will be asked to sign the agreement.

Black History Month

I wanted to thank all the children who produced some fantastic posters to share inspirational figures in their lives. A regular theme of my weekly assemblies is a celebration of differences and looking at inequality around the world, not only historically, but also in modern society.

National Poetry Day

October the 8th was National Poetry Day and the theme was "light". All classes spent the day looking at various types of poetry and writing their own poems. This work has been displayed in the hall.

Booking slots for Parent Consultation Evenings

We will be trialling an online booking system for slots this time. This will mean parents can book from any location on the designated parent evening system. This will mean parents will need to have logged on to our new School Comms system. The system will go live at 12 o'clock noon on the 2nd November and will remain open until 9th November at 4.30pm. Fingers crossed it all goes smoothly, if there are any teething problems the office will be happy to help.

Miss Dawson

I am delighted to announce that Miss Dawson will be expecting her second child in January. I am very pleased to also inform parents that Mrs Hewitt is very kindly going to be teaching an additional day until Miss Dawson's return. Mrs Omelia will be teaching the class on a Monday. This will ensure minimum disruption for the children.

Have a restful break and we look forward to welcoming the children back on Tuesday 3rd November.

Kind regards,

Mrs R Roberts
Headteacher
