

PARENT SURVEY

2016 / 17 Response rate: 150 surveys

Thank you for your feedback - the school are developing an action plan from the feedback received like last year and we will update you in our next Governors' Newsletter

We are really pleased that across all areas responses were equal to or improved on last year.

What did Parents Like?

The word cloud below shows the frequency with which words were used in a positive context (the bigger the word, the more often they were used).

The overwhelming majority of the responses that gave more detailed feedback were positive.

Parents Suggested Improvements

We really appreciate ideas and feedback and there were some very useful suggestions from parents that we will look into.

A few items raised were very specific, please come in and talk to the school with any concerns or suggestions throughout the year.

100% of parents said pupils were well happy, safe and well looked after at our school
