Anti-bullying policy working group

Dear Parents

As a group of parents we have reviewed and updated our Anti-Bullying Policy. This involved reviewing good practice in other schools and talking to the children. We were delighted to hear in November 2015, as part of our parental survey, that 100% of parents said their child was safe at school and 100% were safe at school. 73% of parents agreed that the school deals effectively with bullying, 23% didn't know if the school dealt effectively with bullying. Bullying is rare at Chorleywood Primary School, however, it does happen on occasions and the policy explains how it is dealt with. We have worked very effectively with the Local Authority's Anti-Bullying Adviser to deliver workshops to classes and a talk to parents.

We hope that you find the policy clear and concise. The key message for parents is, talk to us if you have any concerns, we are unable to support your child and resolve situations if we are unaware of what is happening.

Kind regards

Mrs Roberts, Mrs Mansour, Mrs Bij, Mrs Evans, Mrs Tyson and Mrs Hall.
